

# God's Prophetic Personality

In today's unstable and unpredictable world, never before has there been a greater need to be fully reliant on the WORD of God!

There is a need to deepen our knowledge and extend our trust.

## **MORE THAN KNOWING THE PROMISE**

Promise-based Christianity is the start. But as we enter times of such radical opposition to the morality and principles of God, we have to move to be completely immersed in His prophetic personality.

A flesh-based hope has us hoping only that a promise of God may come through for us at the right moment. We see the fulfillment of God's Word as a miracle and not normality.

**Promises have become about what His Word does for us. But When God speaks, His entire personality weighs in for all time, radically changing every dimension.**

**His character becomes a reality.**

**God is Love.** - There is love in our lives because love is part of God's personality. His love prophetically spoke of Jesus' defeat of Satan. His Word was spoken, but His character was revealed.

His character is presented by His Word being spoken.

His character is light, so when He speaks, there is LIGHT

His character is truth; when He sends His spirit, it is the Spirit of Truth.

His character is grace, so when He judges and adjudicates, he loves through His justice even while we are sinners.

## **What Assurance We Have Because of The Character of God!**

### **John 1:1-5**

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that was made. In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it.

**To step from the darkness, we need to SEE and KNOW - Comprehend.**

**John 14:9 NKJV**

He who has seen Me has seen the Father...

**John 17:3 NKJV**

And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent.

There is a depth to our knowing and seeing that I believe is still yet to come in the church at large.

It is a move from simply loving the promises as they relate to our circumstances and hoping they come to be towards a prophetic foresight and assurance of God's character and personality in all things.

**Forward, not Back!**

Abraham looked to Jesus' coming, and we look back towards that same event rather than the prophetic event of Jesus' return.

**Christianity has become the study of WHAT to do, not WHO is coming.**

**Ephesians 2:1-3 TPT**

And his fullness fills you , even though you were once like corpses, dead in your sins and offenses. It wasn't that long ago that you lived in the religion, customs, and values of this world, obeying the dark ruler of the earthly realm who fills the atmosphere with his authority, and works diligently in the hearts of those who are disobedient to the truth of God. The corruption that was in us from birth was expressed through the deeds and desires of our self-life. We lived by whatever natural cravings and thoughts our minds dictated, living as rebellious children subject to God's wrath like everyone else.

**Promises release us from the circumstances that bind us so that we can be fully engaged with the prophetic word of God.**

**Ephesians 2:4-6 TPT**

But God still loved us with such great love. He is so rich in compassion and mercy. Even when we were dead and doomed in our many sins, he united us into the very life of Christ and saved us by his wonderful grace! He raised us up with Christ the exalted One, and we ascended with him into the glorious perfection and authority of the heavenly realm, for we are now co-seated as one with Christ!

## **Who He Is (Know) - What He Does (See)**

His personality frees us from accusation.  
His personality always calls us on to more.  
His personality overtakes ours.

### **1. His Personality Frees Us From Accusation.**

Satan wants us to believe we are what we do.  
That way, he has flesh-based thinking to use as a stronghold to mount his accusations.

#### **Accusations trap us in our circumstances.**

He accuses the flesh and robs us of the promise.

#### **John 8:44-45 NLT**

*[The devil] has always hated the truth, because there is no truth in him. When he lies, it is consistent with his character; for he is a liar and the father of lies. So when I tell the truth, you just naturally don't believe me!*

Accusations trap us in our circumstances, but the personality of God can not resist liberating us from blame, shame, and condemnation.

His personality frees us from accusation.

#### **Romans 5:8 TPT**

But Christ proved God's passionate love for us by dying in our place while we were still lost and ungodly!

### **2. His Personality Always Calls Us To More**

#### **God's personality calls us to more!**

#### **2 Timothy 1:8-12**

Therefore do not be ashamed of the testimony of our Lord, nor of me His prisoner, but share with me in the sufferings for the gospel according to the power of God, who has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was given to us in Christ Jesus before time began, but has now been revealed by the appearing of our Savior Jesus Christ, who has abolished death and brought life and immortality to light through the gospel, to which I was appointed a preacher,

an apostle, and a teacher of the Gentiles. For this reason I also suffer these things; nevertheless, I am not ashamed, for I know whom I have believed and am persuaded that He is able to keep what I have committed to Him until that Day.

He is hope when we are hurting. (God's mercies are new every morning.)  
He is life without worry. (What you worry about the most is often where you know God the least.)

He is love to you when you feel unlovable.

He is peace when you are frustrated.

The promises are the things hoped for. His prophetic personality is the assurance that turns that hope into our reality.

### **3. His personality overtakes ours.**

**His prophetic personality begins to become our norm. He overtakes us.**

#### **John 19:28 TPT**

Jesus knew that his mission was accomplished, and to fulfill the Scripture, Jesus said: "I am thirsty."

As we study, meditate, and speak about WHO God is, we have a spiritual mind renewed to His Word and led by His Spirit.

We actually think like God does! Our flesh begins to align not because of some behavior change but because of whom we love.

**Our relationship with God isn't behavior modification.**

**Our relationship with God is a spiritual transformation.**

**Living in the promise means we are wrapped up not only in WHAT God is. But by being completely transformed in our thinking, we get to live out WHO God is.**
